

Our values at Work

Team Performance

Every morning, when arriving in the company, let's share the same business culture, let's combine our efforts and our know-how, so that together our daily life will be a common goal, aimed at excellence which is the sole warranty of our business sustainability and of the resulting counterparts.

● Continuous Improvement

Let's set difficult target to achieve, let's become a Passionate Champion!

● Motivation is a key

We often should be pleased but never satisfied, we must become The Best in what we are doing!

- We all want to excel
- Let's all become the teacher, the helper, the coach of our teams
- Let's have a rule of example which will be positive and oriented to solutions
- Let's share the decision process and the information with the team
- Let's all be the agents of change
- Let's all become the company's accountants

● Teamwork

By working together, everyone will perform more!

- Let's be the best in our field, let's bring our talents to the team
- Let's play our role
- Let's support the team members each time they need help
- Let's sacrifice the own interests et let's win for our team
- Let's lead the discipline of our team
- Let's focus on the problem solving
- Let's be sure that we make the difference
- Let's take over on behalf of the team

● Leadership

Let us act as we would like that other people act with us!

- Let's lead by example
- Let's set goals and targets difficult to reach for/with our team
- Let's know the path we want to take
- The respect of our team members can't be bought
- Let's lead a modest life style
- Let's invent our future
- Let's resolve the problems quickly
- Don't expect that the solutions drop out of the sky

● Open and honest communication

The prospects and comments from all are very valuable!

- Let's create an environment of openness and honesty
- Let's say the whole truth to our team members
- Let's allow our words being our commitments
- Let's communicate by the action
- Let's contribute positively, don't complain to the others
- Let's develop win-win relationships

We are all actors of the success
of Amphenol Air LB ...

Let's achieve together our most beautiful role!
